

MEMORANDUM

date: 30 March 1993

to: ✓Cliff Read Dept. 0K21 CAR
Paul Koens Dept. 0K26 CAR
Ernie Dynie Dept. 0K26 CAR

from: Ellen Garneau Dept. 0266 NTPAT

subject: DISCLOSURE OF INVENTION entitled -
"Vista 250 & 350 (Modular)"
Our file ref: RO-2819

This is to advise that the above-identified Disclosure of Invention has been received in our office. Reg Austin, a Patent Agent from our department, will be in contact with you shortly to discuss what course of action should be followed in proceeding with your disclosure from a patent viewpoint.

In the case of multiple inventors, correspondence will generally be directed to the first-named inventor only.

If you have any questions or comments with respect to the above disclosure, please do not hesitate to contact me at ESN 350-3007.
