

## THE CHICAGO ATHENAEUM

The Museum of Architecture and Design

August 18, 1995

Mr. Graham Marshall  
Manager/Industrial and Graphic Design  
Bell Northern Research  
PO Box 3511, Station C  
Ottawa, Ontario K17 4H7  
CANADA

Dear Mr. Marshall:

On behalf of The Chicago Athenaeum: Museum of Architecture and Design, I am pleased to inform you that your entry, the **Power Touch 250/350 Telephone**, was selected by the jury to receive a 1995 GOOD DESIGN Award. In this international competition and exhibition sponsored by the Museum, we had an overwhelming response with nearly 500 entries.

Of the total number of entries approximately eighty products and graphics were selected for Awards; additional entries were selected for the exhibition. For the exhibition, catalogue, and inclusion in the Museum's Permanent Design Collection we will need the following materials no later than Monday, September 18, 1995.

- Three samples of the **Power Touch 250/350 Telephone**;
- Ten (10) 35mm color slides of the **Power Touch 250/350 Telephone** (for press purposes);
- an 8x10 black and white portrait photograph of the designer/design team;
- one-page biography of the designer/design team.
- Additionally, for the exhibition, we are asking Award winners to submit design sketches, prototypes, or other materials which best convey the design process and intent of the products or graphics.

We are excited with the jury results and look forward to the exhibition, which will open on October 10, 1995 at The Chicago Athenaeum.

The Museum would like to thank you for your interest and support of this landmark exhibition. As the nation's only independent Museum of Architecture and Design we are creating and hosting many new and exciting programs and exhibitions, as well as public educational outreach.

Once again, congratulations and thank you in advance.

Sincerely,

Leonard M. Kliwinski  
Deputy Curator  
THE CHICAGO ATHENAEUM

Dear Mr. Marshall:

The Chicago Athenaeum: Museum of Architecture and Design is pleased to invite you and your colleagues to the opening of the exhibition GOOD DESIGN 1995 on Tuesday, October 24, 1995, from 5:30 to 7:30 p.m. This event is the Museum's Annual Benefit, and will feature an international buffet, cocktails, and the opening of this exciting exhibition. Ticket information is on the enclosed form, which may be faxed to 312/251-0176.

We are pleased to feature your product, Power Touch 250/350, in the GOOD DESIGN 1995 exhibition.

I received all of the products, biographies, photos and slides for the exhibition. However, I did not receive the requested design sketches, drawings, models, or prototypes for the above products. We would like to include these materials in the exhibition. We are asking for original drawings and models to display. If you request, they can be returned to you upon the close of the exhibition in January. Please contact me if any design sketches, drawings, models, or prototypes are available and can be submitted by Monday, October 16th.

Thank you for submitting the other materials I had requested, and we look forward to seeing you at the opening.

Sincerely,

A handwritten signature in black ink, appearing to read "Leonard M. Kliwinski".
