Je déclare que ledit dessin industriel n'était pas en usage à ma connaissance par quelque autre personne que
time of my adoption thereof.
moi-même lorsque je l'ai adopté.

The said Industrial Design is characterized by
Ledit dessin industriel est caractérisé par _____

a telephone set base having a rectangular plan form with rounded
corners and comprising a front portion and a back portion;

the front portion rectangular in plan form and having a shallow
truncated wedge shape viewed from the side with a top surface inclined upwardly
and rearwardly from a front edge, and a pushbutton dial at one side of the top
surface;

the back portion being recessed below the front portion and
having center and end sections, a part cylindrical recess in each end section
extending in from the side surfaces, the center section having a plurality of
parallel ribs extending between the end sections, the ribs extending down the
back surface of the center section and part way onto the bottom surface, the top
surface of each end section sloping downward and outward at a slight angle;

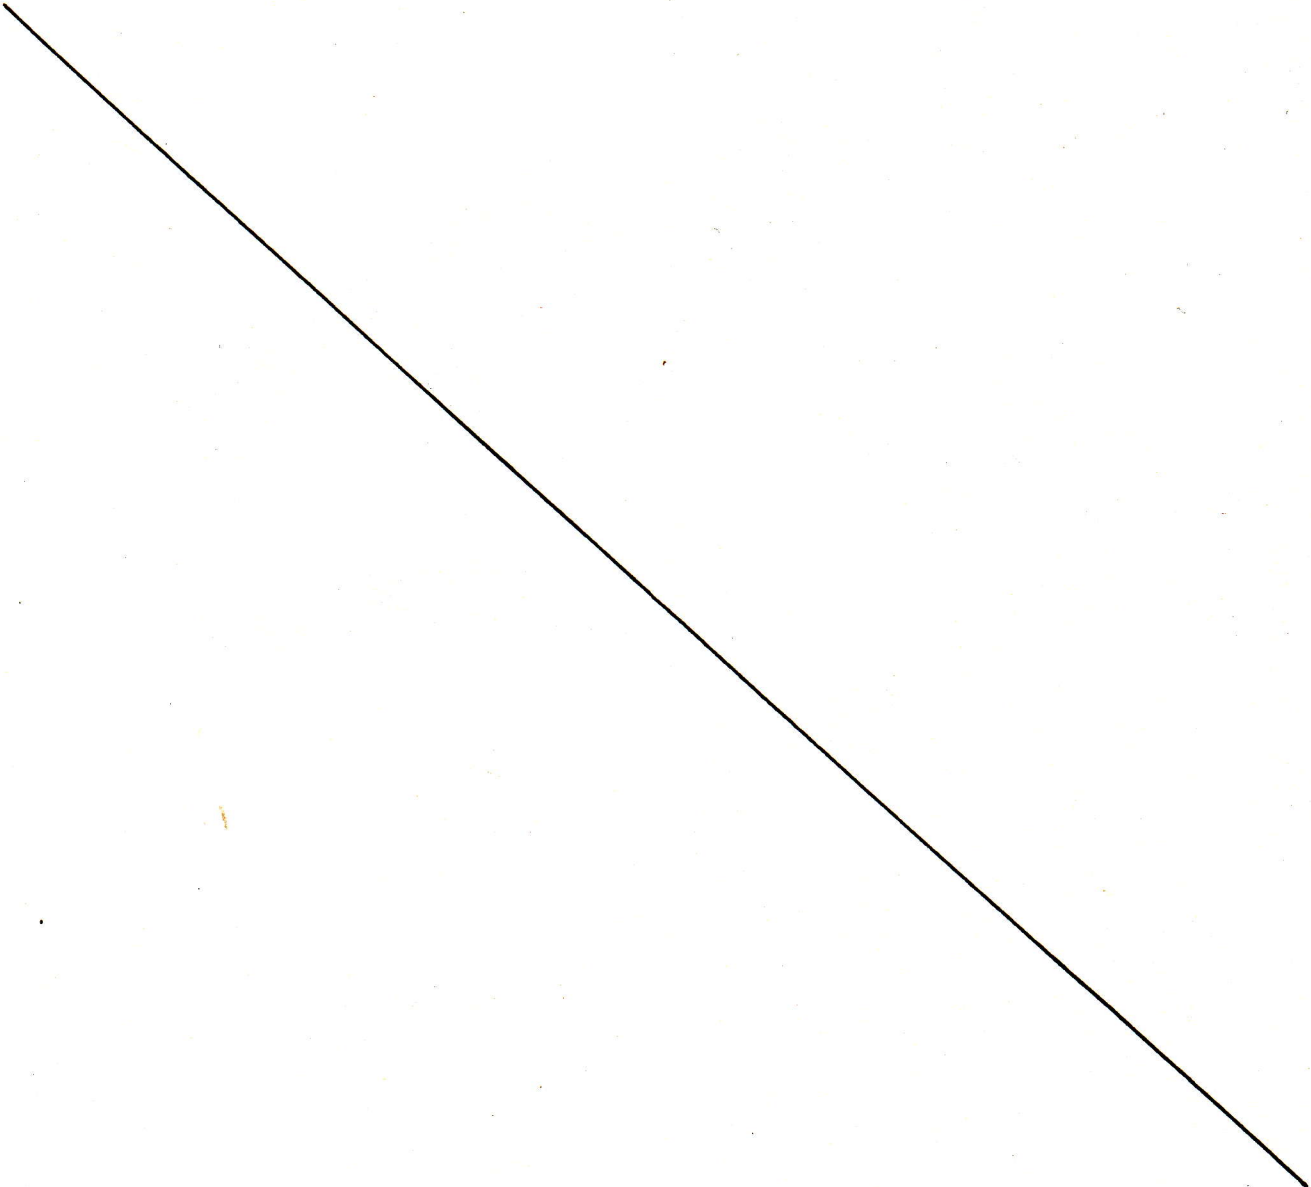

the back, front and side bottom edges being chamfered.

Drawings are annexed hereto in which:
