[57] CLAIM

The ornamental design for a telephone set base, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of one side of a telephone set base showing our new design, the view of the side opposite being substantially a mirror image; FIG. 2 is an elevational view of the right side thereof, the view of the side opposite being substantially a mirror image.

The undisclosed broad back side surface of the set being plain and flat, and parallel to the broad front side surface shown in FIG. 1.

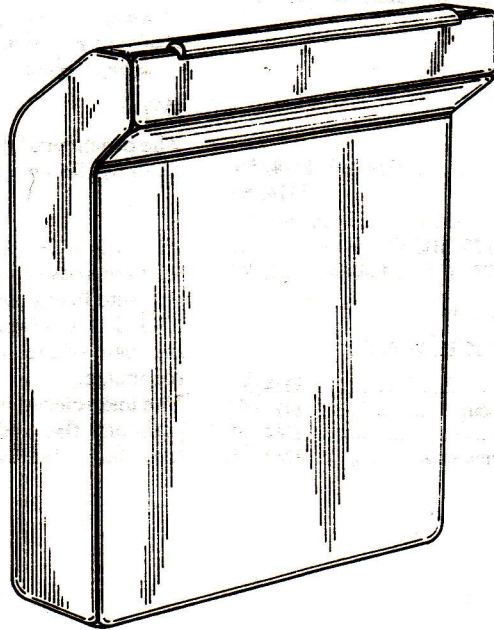

FIG. 1

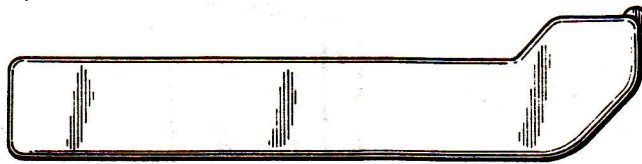

FIG. 2
